GERMAN GOVERNMENT,
SPD, ‚GRÜNE‘, FDP, BERLIN

Dear German Government:

The attached overview (next page) „Creating Freedom...“ shows the 9 steps, that systematically preceded the 10th step, the war in Ukraina.

This overview shall show, how the Rain-Bow-People (Mafia), which by now dominates all of Western Europe by its Wonderful Gender-Ideology (Idiocy), succeeded with the help of the USA to prevent any peaceful connection to that „homophobic“ Russia and in this way to make Russia a declared Enemy of the Western World. That it even came to a war and that this enmity, at the expense of the Ukraina, could only deep further – „all the ‚better!“ [For not Putin hates the Rain-Bow-Mafia – hence his suggestion see step 4th; perhaps he despises them – but the Rain-Bow-Mafia hate Putin and his Russia, - that seems to be obvious.]

If Western Europe had responded to Russia’s proposal for an European-Russian Free Trade Zone, step 6th („Fuck Europe!“) would in all probability not have happened at all – and then of course also not the following steps 7th -10th.: **„Homophobic“ Russia would have become a Peaceful Part of Europe!**

So it is **high time (!)** that you and your Western European Colleagues distance yourselves from this ‚Wonderful‘ Rain-Bow-Mafia – instead increasing its influence on social and foreign policy [if you are not already, through your children or other close relatives, totally dependent on it(?)].

Otherwise much worse, more cruel times are ahead of us – see the time between 1933 and 1945 when this Mafia, under the Sun-Wheel (Swastika), just only brown then, once before ruled Germany by its primitive Ideology. So **this time y o u** would of course be responsible for it!

Every good wish.

Sincerely

G. E. Streibig alias Chyron
